- Games you might want to play with other skiers
- Lots of energy, enthusiasm and encouragement for yourself and others.

Being a member of WSWBC allows you:

- Access to Camps across the provinces that are subsidized by WSWBC. On average WSWBC subsidized each athlete \$50/day while they attend a camp. This provincial funding comes from Via Sport and Gaming grants
- Opportunity to attend BC Summer Games 2024 in Maple Ridge, 2023 BC Provincials at Shumway Lake, Kamloops BC and any other tournaments around the province that you may be interested in. Provincials have no qualifications and are a very social event.
- Train with a energetic dedicated group of athletes - BC has a strong team with many athletes on the National team, competing at different international events
